ABOUT ASHTAVAKRA

Ashtavakra Accessibility Solutions is a women-led enterprise transforming accessibility into a driver of growth and inclusion. Led by Dr. Sangita Thakur (IAAP-CPACC, Access4you® AP)—a communications leader with 30 years' corporate experience and lived disability experience—we bring global benchmarks and local insight to help educational institutions build inclusive, future-ready campuses and learning ecosystems

WHY NOW

- Compliance & Policy: The RPwD Act (2016), UGC Accessibility Guidelines, and NEP 2020 mandate inclusive education and accessible infrastructure
- Global Standards: Alignment with HGSS 2021, NBC 2016, ISO 21542, WCAG, and UNCRPD ensures campuses meet international benchmarks
- Equity & Student Success: Inclusive campuses attract diverse teachers and learners, improve retention, and support equal participation
- Reputation & Value: Accessibility strengthens institutional reputation, supports NAAC accreditation, and aligns with SDG 4 (Quality Education)

WHAT WE DO

ACCESSIBILITY AUDITS & ROADMAPS

AccessCheck™: Campus-wide audits covering classrooms, hostels, labs, libraries, sports, and common facilities

INCLUSIVE DESIGN & STRATEGY

AccessPlus™: Turnkey audit-to-certification pathway for large-scale residential, commercial, and mixed-use projects

DIGITAL AND PROCESS ACCESSIBILITY

AccessDigital™: Accessibility audits for websites, e-learning platforms, and student information systems (aligned with WCAG, ISO 30071-1, GIGW)

TRAINING & CAPACITY BUILDING

AccessPolicy™ & AccessLearn™: Inclusive education policies and training for teachers, administrators, and staff on accessibility, reasonable accommodation, and assistive technology

CSR COMMUNITY PROJECTS

AccessEquity™: CSR-driven education inclusion projects, inclusive retrofits, accessible libraries, heritage campus projects, and scholarship-linked initiatives
