

Build the Future With Us

Inclusive. Sustainable. Accessible.

Partner with us to embed
accessibility into your projects

ABOUT ASHTAVAKRA

Ashtavakra Accessibility Solutions is a women-led social enterprise transforming accessibility into a driver of growth and inclusion. Led by Dr. Sangita Thakur (IAAP-CPACC, Access4you® Building AP Accredited Professional)—a communications leader with 30 years in corporate sector and lived disability experience—we bring global benchmarks and local insight to help organizations build inclusive, future-ready environments.

WHY NOW

- Compliance & Legal Risk → RPwD Act enforcement is intensifying; early compliance reduces costs
- ESG & Investor Pressure → Accessibility is an emerging benchmark in sustainability and governance
- Competitive Edge → Inclusive spaces deliver higher ROI, stronger brand equity, and long-term trust

WHO WE WORK WITH

- Real Estate Developers, Designers & Architects
- CXOs & ESG Leaders
- HR, DEI & CSR Heads
- Educational Institutions & Public Sector Leaders

WHAT WE DO

ACCESSIBILITY AUDITS & ROADMAPS

AccessCheck™: End-to-end compliance strategies with actionable implementation

TURNKEY DESIGN-TO-DELIVERY AUDITS

AccessPlus™: Universal design strategies that embed accessibility seamlessly into every project

DIGITAL & PROCESS ACCESSIBILITY

AccessDigital™: WCAG, RPwD Act, ISO 30071-1, and GIGW-aligned audits for websites, apps, platforms and processes

POLICY, TRAINING & CAPACITY BUILDING

AccessPolicy™ & AccessLearn™: Inclusion policies and practical workshops for accessibility-driven inclusive culture that promote professional growth of PwD hires

CSR WITH IMPACT

AccessEquity™: CSR-compliant initiatives that channel corporate funds into accessibility audits, retrofits, heritage/tourism projects, and employability training
